DRMS-J

GENERAL ORDER  
NO. 1-05

I. Authority: Approval of the DRMS Executive Director based on the conclusion of the Director, Logistics Operations (J-3), and results of the A-76 Study of Selected Logistic Operations cost comparison, June 17, 2005.

II. Pursuant to cited authority and through phased implementation effective not later than March 31, 2006, the structure of the Most Efficient Organization (MEO) is as follows:

a. The MEO Program Management Division (DRMS-OM) is established, reporting to the Director of Operations (DRMS-O), as a single interface between DRMS and the MEO. This office will oversee management and quality of usable property warehouse operations, perform trend analysis, address customer feedback, manage budget/resources, and ensure that operational direction is provided to the field units.

b. The Scheduling Branch (DRMS-OMS) is established to interface with the transportation partner and maintain a turn-in schedule.

c. Regional Program Management Branches East (DRMS-OME) and West (DRMS-OMW) are established. They will manage day-to-day logistics operations and review acceptable performance levels with site supervisors on a daily basis.
